## Release History

Initial release to STC Chicago AC officers for approval: 06-03-2011

Initial adoption of Handbook by STC Chicago AC officers: 06-11-2011

Version 2 released to STC Chicago AC officers for approval: 07-07-2019

Adoption of updated handbook by STC Chicago AC officers: 07-09-2019

Updated to include a more detailed timeline for president role: -7-19-2020

## Introduction

The purpose of this document is to give officers, perspective officers, and committee managers an overview of the various positions with reasonable expectations of the roles.

This document is meant to serve as a guide for STC Chicago Administrative Council members, including all elected officers and the appointed committee managers. It is not intended to be all-inclusive as roles and responsibilities change with special circumstances, events, etc., but does represent the core responsibilities of each position and what STC Chicago expects from its officers and leadership.

This should be considered a “living document” and should expect to be updated regularly as we learn and grow from each program and election year.

## Administrative Council Officers

Per Article VI, Section 1 of the STC Chicago Bylaws, the Administrative Council (AC) consists of the president, vice president, secretary, treasurer, and the immediate past president. All Administrative Council officers, except the immediate past president, are elected by the membership for one-year terms extending from the date of installation of officers as determined by the Administrative Council until the date of the next year's installation of officers. The Administrative Council may make an exception in the case of the treasurer, who is responsible for preparing the annual financial report to the STC treasurer (prepared after July 1).

All Administrative Council officers must be Chapter members in good standing.

The following pages describe the role, general responsibilities, meeting availability requirements, and a general timeline of deliverables and receivables for each of the elected Administrative Council officers.

## President

The president exercises general supervision over the affairs of the Chapter, presides at meetings of the Chapter and the Administrative Council, appoints heads of Chapter committees subject to AC officer approval, and is an ex officio member of all Chapter committees.

As a leader of the Chapter, the president has the following goals:

### Responsibilities
